NOTES: Once a bonus level has been obtained, that bonus level then applies to any business written with our other carriers. Bonuses relate to life and disability products only and do not include money, investments or retirement products (the exception is Manulife). Persistency must be maintained at a minimum of 85%, and agents/brokers must have been in the business a minimum of two years, and carry current Errors and Omission Insurance. Commission and bonus schedules may be changed without notice.
